## From start to finish.

Minnesota's first vertically integrated millwork, prefinish and finish carpentry solution.

"From the start, our goals were to provide a quality job at a competitive price for a reasonable profit. It is our belief that goals of profitability and growth can be best attained by a total team concept, working to improve all parts of our business every day, through new ideas, education and training."

*Joel Schwieters, President/Owner*

Schwieters Companies, Inc. started in 1982 as a one person company trimming approximately 40 units the first year, progressing to Minnesota's first vertically integrated millwork, prefinish and finish carpentry solution.

Only Schwieters Companies, Inc. offers you a millwork, prefinish and finish carpentry solution. Convenient one call 100% delivery and install simplifies the process and keeps you on schedule. Our experienced and professional team, along with state of the art millwork and prefinish equipment, guarantee a quality experience from start to finish.
